Updates (1)

SEPTEMBER 18, 2020 by Martin Tripp, Organizer

As you may have seen, the media is clearly lying, stating that tesla has "won its case" against me. Other news agencies are simply regurgitating it.

The fact of the matter is that I was granted summary judgment against tesla's false claims of 167 million. tesla was granted summary judgments against all my counter-claims, unfortunately. The actual case is still ongoing.

You may have noticed that I am not responding on Twitter. Someone complained that I told muskrat to 'f-off' and I was punished for 6 days. I currently have 1 day, 16 hours remaining. I'll be back soon :-)

Thanks for your support and words of encouragement!
